- c. When applying for an Account in the hi App, You will be prompted to sign-up using your phone number and a one-time password; after the initial login you will be asked to set a password and enter other details such as your email. You will need this phone number or email and password (collectively Your "Security Details" for the Account) to access Your Online Account and perform the following functions (as well as any other functions specified in the Website or App) in relation to Your Card online:
 - i. change Your telephone number;

- a. Funds may be added to Your Account by any of the permitted methods set out in the hi App.
- b. The Programme reserves the right to request further KYC documents and verification of Your source of funds at any point.
- c. Fund loading limits may vary according to the type of Card/Tier of Membership as set out on the fees page of the hi App or hi Website.

Usage / Redemption

- d. You can use Your physical Card with Your PIN to withdraw cash from ATMs and at bank counters (where the bank permits it) or to buy goods and services online or at a point of sale at any Merchant who accepts the Scheme. A withdrawal fee may apply to withdrawals as set out on the fees page of the hi App and website.
- e. You must always ensure that You have a sufficient Available Balance for each Transaction You authorise (including value added tax and other taxes, duties and applicable fees as set out on the fees page of the hi App and website). If the Available Balance is insufficient to pay for a Transaction, and the Merchants does not permit You to combine the use of Your Card with other payment methods, the transaction will be declined.
- f. If for any reason a Transaction is carried out but its amount exceeds the Available Balance, You must pay us the deficit immediately, and if You fail to do so after receiving a notification from us, We reserve the right to terminate this Agreement between us and take all necessary steps, including legal action, to recover this deficit.
- g. Pre-Authorisations: There are certain circumstances where a Merchant may require You to have an Available Balance greater than the value of the Transaction You wish to make. However, You will only be charged for the actual and final value of the Transaction. Merchants may request this as they may need to access more funds than You initially planned to spend ("the relevant funds") for example, when making hotel or car rental reservations. In the event that a Merchant has prior authorisation on Your Card, You may not have access to the relevant funds until the Transaction is completed or, if sooner, up to a period of 30 days. However, the Programme will only block access to the exact amount of funds authorised by You.
- h. Your Card cannot be used where such Merchants are unable to obtain online authorisation that You have sufficient Available Balance for the Transaction (for example, Transactions made on trains, ships, some in-flight purchases and at toll booths). We accept no liability if a Merchant refuses to accept payment using the Card.
- i. Your Virtual Card cannot be used to purchase an item online that subsequently requires presentation of a physical card in order to obtain that item (i.e. certain theatre ticket purchases, hotel stays and car rentals).
- j. When You use Your Card to pay for goods and services, You may need to enter Your unique PIN. Once Your PIN has been accepted the transaction or ATM withdrawal cannot be cancelled by the Programme.

- m. We may decline a transaction, place restrictions on Your Card or apply special security procedures in respect of transactions if:
 - i. Insufficient Balance: You do not have an Available Balance or sufficient Available Balance for the transaction attempted;
 - ii. Over Limit: The transaction will take You over the Card limits which can be found on the fees page of the hi App or hi website;
 - iii. Security: To protect the security of Your Card, Account, Security Details or personal data;
 - iv. High-Risk Transactions: If we believe a transaction is unauthorised or illegal or poses a high risk of being unauthorised or illegal;
 - v. Agreement Breach: We reasonably believe the transaction would be in breach of this Agreement, the fees & Limits page of the hi App, or
 - vi. The transaction and applicable fees will cause Your Account to go into a negative balance
- n. Payments using Your Card for any transaction made in a currency other than supported currencies, will be subject to Scheme acceptance terms, Scheme conditions and Scheme fees.
- o. Any refunds for goods and services purchased with Your Card will be made in accordance with the refund policy of the Merchant. Once the Programme receives the funds, the Programme will load Your Account immediately or transfer the funds to Your Debit Card or Personal Bank Account used to load the Account.

Authorisation

- p. You will need to give Your consent to each Transaction so that the Programme can check it is genuine by, where applicable, a) using Your PIN or other Security Details personal to You; b) signing a sales voucher; c) providing the Card details and/or providing any other details personal to You and/or Your Card. Once You have given such consent to the Transaction, it will be deemed to be authorised.
- q. The time of receipt of a Transaction order is when the Programme receives it. If a Transaction order is received after 4pm on a Business Day, then it will be deemed to have been received on the next Business day.
- r. Once a Transaction has been authorised by You and received by the Programme, it cannot be revoked.
- s. Where a Merchant's payment service provider is located within the EEA and the payment services being carried out are in the currency of an EEA Member State, the Programme shall ensure the cash transfer to the Merchant's payment service provider within 4 Business Days following the day on which the Transaction order is received.
- t. Certain Merchants may not accept payments made through the Card and the We accept no liability for this: it is Your responsibility to check the restrictions of each Merchant.
- u. Your ability to use or access the Card may occasionally be interrupted, for example if the Programme needs to carry out maintenance on its systems or websites. Please contact Member Services to notify the Programme of any problems You are experiencing using Your Card or Account and the Programme will try to resolve these as soon as possible.

5. Additional Cards

- a. At the Programme's sole discretion and provided We have received sufficient KYC, You may be eligible to apply for Additional virtual Cards connected directly to Your Account.
- b. If this agreement is terminated, any additional cards will expire or terminate as applicable.

6. NFT Cards

The hi Debit Mastercard is the world's first NFT customisable Debit Card, giving you the opportunity to upload your favourite NFT to the face of your hi Card.

To achieve the best possible results, please review the following guidelines before your submission.

- a. Non-Fungible Tokens (NFTs)
NFTs (non-fungible tokens) are unique cryptographic tokens that exist on a blockchain and cannot be replicated. NFTs often represent real-world items such as artwork. You can only customise your hi Debit Card with NFT artwork.
 - i. NFT Ownership
As part of the NFT artwork upload process, you will be asked to verify ownership of your NFT. You can only upload an NFT that you verifiably own. Once having created a custom card, if you transfer ownership of the NFT that you used to customise your card, you will be asked to replace the card, which will incur a card replacement fee.
- b. Ensuring Your Card Looks Great
To achieve the best aesthetic results, we strongly recommend using NFTs that are: avatar-based, feature a single, centralized avatar, have a single, flat background color
- c. Holders from collections like Bored Ape Yacht Club, Mutant Ape Yacht Club, Moonbirds, Crypto Punks, GoblinTown.wtf, and Azuki can have any of their NFTs printed on the cards. For NFTs from other collections it will be subject to review and approval of your avatar.
 - i. Editing Your NFT Artwork For Card Usage
During the artwork upload process you will be given the option to choose between
 1. Original (unedited)
 2. No Background (background removed)
 - ii. If you choose 'No Background', you grant permission for our team to remove the background from your NFT to the best of our abilities. If we are unable to effectively remove the Background of your NFT, the artwork submission will be rejected to give you the opportunity to use the Original version, or to choose another NFT.
- d. Sensitive Content
When you upload NFT artwork, it will be reviewed by our content moderation team, under close guidance from our partners at Mastercard. Your NFT artwork may be rejected by our team if it includes any of the following subject matter:
 - i. Profanity
 - ii. Political subject matter of any nature (flags, state symbols, etc)
 - iii. Depiction of drugs, alcohol, tobacco, firearms, weapons, military equipment
 - iv. Content which may be determined to be socially unacceptable or illegal
 - v. Branded or trademarked products/services/logos including abbreviations, acronyms, and symbols

If your artwork is rejected, you will be notified in the App and asked to upload a replacement NFT. The content moderation team's decision is final, please do not attempt to re-upload the same NFT or dispute the decision.

e. **Virtual & Physical NFT Cards**

If you choose to order a Virtual and Physical card, the same artwork will be used for both cards. Due to the differences between digital and real-world display and manufacturing processes there may be some differences in color and output between the virtual and physical versions.

7. Keeping Your Accounts, Card and Pin Safe

If the Transaction is one where the exact amount of the transaction was unknown at the time of authorisation (e.g. car rental or a hotel reservation) and the transaction amount appears incorrect, You must notify Member Services within eight (8) weeks of the date of the debit to Your Account.
- b. Unless the Programme has reason to suspect fraud by You, or that You have failed to comply with these Terms and Conditions, or the Account Terms with intent or gross negligence the Programme will refund the amount of the unauthorised or incorrect transaction(s) as soon as practical.
- c. Where You have made an authorised Transaction but have a dispute with the merchant, the Programme will require You to provide written confirmation of the disputed transaction within 120 days of the Transaction date. The written confirmation should be sent to Member Services live chat on the hi App or website or emailing membersupport@hi.com.

10. Payment Disputes

- a. If You dispute a Transaction that You have authorised and which has been processed on Your Card, You should settle this with the person You bought the goods or services from; the Programme is not responsible for the quality, safety, legality or any other aspect of goods or services purchased with Your Card.
- b. If Your dispute with a Merchant relating to a Transaction cannot be resolved, You should contact Member Services, for the Programme to attempt to assist You as far as is reasonably practicable.
- c. If You have reason to believe that a Transaction was carried out without Your consent or in error, You may ask the Programme to investigate the Transaction by contacting Member Services. If the Programme investigates the Transaction, the disputed amount will be unavailable to spend until our investigation is complete and if the Programme receives information that proves the Transaction was genuine, this will be deducted from Your Available Balance and the Programme may charge You an investigation fee as set out on the fees page of the hi App or hi website. If You do not have sufficient Available Balance for the Transaction or the investigation fee, You must repay the Programme the amount immediately on demand.

We shall not be liable for any partially completed transactions or delays in the processing of your instructions. If your payment is not successful or if your payment instrument has insufficient funds, you authorise us, in our sole discretion, either to cancel the transaction or to debit your other payment instruments, including balances on your Fiat Wallet for any amount necessary to complete the transaction.
- e. 8.4 We do not guarantee the availability of any exchange rate.
- f. 8.5 You shall be responsible for any fees charged by your bank or credit card issuer(s) (including but not limited to any international transaction fees, cash advance fees and transfer to overseas service charges) relating to the purchase of Digital Assets with your credit or debit card. 19. Other Provisions Applicable to Our Services

- a. hi reserves the right to, in its sole discretion, refuse to process or to cancel any pending request from you for any Digital Asset Transfer, Digital Asset Conversion or Fiat to DA Conversion (each, a "Transaction"), including for purposes of compliance with Applicable Law.
- b. hi securely stores 100% of all Digital Asset private keys in our control in a combination of online and offline storage. As a result, it may be necessary for hi to retrieve this information from offline storage in order to facilitate a Transaction in accordance with your Instructions, which may delay the initiation or crediting of such Transaction for 48 hours or more. As a user of the hi Platform Services, you accept the risk that a Transaction facilitated by hi may be delayed and you agree not to hold hi responsible for any loss or damage arising out of or related to such delay.
- c. It is your sole responsibility to determine whether, and to what extent, any Taxes apply to any transactions associated with your receipt or transfer of Digital Assets, and/or to the Transactions you conduct, and to withhold, collect, report and remit the correct amounts of Taxes to the appropriate tax authorities. Your Transaction History is available through the hi Platform. We are not obligated to, nor will we determine whether, and to what extent, Taxes apply, or calculate, collect, report, or remit any Taxes to any tax authority arising from any transaction. Notwithstanding the foregoing, hi may make any payment, withholding or filing as required by any Applicable Law and we may deduct or withhold any payment to you or otherwise seek indemnity from you of the same.
